# Cookies

This Website use cookies.

## What is a cookie?
A cookie is a small text file that we, and in certain circumstances third parties, place on your browser when you visit our website or open some of our emails.

Cookies among other things, allow The Origin Lounge to recognise you each time you re-visit our website and provide you with a more personalised user experience. There are in existence a variety of different cookies which are designed for used in specific sets of circumstances.

## How to manage or refuse cookies
If you do not want your browser to accept cookies and use them in the ways described above it is possible to change your browser settings. It is also possible to delete existing cookies from your browser. However blocking all cookies will affect your web experience and may result in some parts of this website not functioning properly. Some cookies are designed to help save you time, for example, by remembering your contact details when you are making an order for the second time – this means that you will not have to complete the contact section again unless your details have changed. The procedure for modifying your privacy preferences is different for each internet browser and we recommend you visit the following websites for further information on altering your cookie settings: www.aboutcookies.org  www.allaboutcookies.org.  For more detailed information on how to clear or disable all of your browser cookies, please go to http://www.google.com/support/accounts/bin/answer.py?answer=32050&hl=en

## Use of different cookies
We will use different cookies at various different stages of your use of our website.

## Tracking and Customisation Cookies
These are used to recognise repeat visitors to the Origin Lounge website and customise the visitor experience, as described above. They may also be used in conjunction with other information we or our third party partners hold to attempt to record specific browsing information (for example, regarding the way visitors arrive at the Origin Lounge website, pages viewed, options selected, information entered and the path taken through the Origin Lounge website).

## Session Cookie
These are used to maintain your session when you sign in on the website, allowing you to access the online services without the need to sign in on every page you visit.

**Research Cookies**
**Nielsen**

Nielsen is a measurement and research company that gathers data across the website through using cookies and pixel tags for the purposes of gathering research data on the traffic and users across the website.
